About AdhereHealth™

AdhereHealth™ is a technology solutions leader supporting health plans, self-insured employers and other risk-bearing entities for medication adherence insights and healthcare outcomes. Our innovative focus on medication adherence enables a unique pathway to achieve outcomes for population health. Adhere Platform touches nearly **30 million** patients through its disruptive technologies, engagement services and home-delivered pharmacy. AdhereHealth™ addresses the challenge of half a trillion dollars of annual unnecessary medical costs due to medication adherence issues, representing **16%** of the United States healthcare spend. Headquartered in the Nashville suburb of Franklin, Tennessee, AdhereHealth™ has been in business for more than a decade. We employ hundreds of dedicated professionals across the nation who are focused on the mission of providing solutions that improve patient adherence.

PATIENT SUCCESS STORY: Mrs. Robbins

Mrs. Robbins's heart disease requires simvastatin and clopidogrel to reduce heart attack and stroke risk. AdhereHealth's medication adherence analytics prompted our pharmacist to discuss these risks. Mrs. Robbins supported the plan, improving quality and reducing her risk of hospitalization.
